DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on May 11, 2007 is not fully responsive to the Office action mailed on January 25, 2007 because of the following omission(s) or matter(s): Amended claims 1, 29, and newly added claims 51 and 52 are directed to sequences which are independent and distinct from the invention originally elected. Furthermore, SEQ ID NOs: 56-59 would involve additional search burden for the Office. In order to be fully responsive, subject matter directed to SEQ ID NOs: 56-59 must be removed from elected group of claims. It may also be noted that Applicants have already received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Since the above-mentioned reply appears to be bona fide, Applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). Any inquiry concerning this or earlier communications from the Examiner should be directed to Vinod Kumar, whose telephone number is 571-272-4445. The Examiner can normally be reached from 8:00 A.M to 5:30 P.M. If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's supervisor, Anne Marie Grunberg, can be reached at 571-272-0975. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
